Dear Barry Ness,

With the holidays upon us, the Pregnancy Services volunteers have been busy helping the women and families who visit the center. We have been finding that the need is great in our area for the services we provide such as offering life affirming options for those in a crisis pregnancy. Additionally, we have also been able to distribute a substantial amount of maternity and baby clothes and baby items as part of our *Earn While You Learn* program. In this program, clients earn the maternity and baby items by attending parenting classes, mentoring sessions, doctor's appointments and counseling sessions. The clients have been appreciative of the emotional and material support they receive--especially at this time of year.

The recent Escanaba Kiwanis donation of \$200 has helped make our work possible. Because of your generosity, we can continue to provide assistance and support to women and families as they care for their children--both preborn and born.

Thank you for your life-affirming donation to help us change lives and save babies. May God bless you this Christmas season and throughout the coming year!

Sincerely,

*Virginia Hallfrisch*
