Dear Friends,

Thank you. It's a small sentence but it means so much! Your Club's investment in girls and in Girl Scouts of the Northwestern Great Lakes will *Give Amazing* to the girls in the Escanaba area.

Amazing is when an eight-year old roars with pride after starting her first campfire. Amazing is the internal spark a middle school girl feels after participating in a robotics lab. Amazing is the deep sense of accomplishment a high school girl experiences while shaking the hand of her state representative at her Gold Award ceremony. And sometimes amazing is just watching the realization cross a girl's face that this future is hers and she is stronger, braver, and more ready for it than she ever imagined.

Girl Scouts believes that with courage, confidence and character, we can make the world a better place. For over a century, we have empowered girls to discover their passions and take on real-world challenges in a supportive, all-girl environment. We pride ourselves on providing unique, fun, and challenging experiences in business, science, the outdoors, the arts, and everything in between.

Our girls are going to be tomorrow's scientists, politicians, artists, doctors, and entrepreneurs. Their futures are bright. They are going to change the world, thanks to your help.

Our humble thanks,

Les
